

# **Team Logan Benefit!**

## **Crock Pot Cook-Off with Silent/Live Auction and Bake Sale**

Join us for a fundraising benefit for Logan Eliason. Logan is the son of Steve and Pam Eliason of Salix. He recently had surgery at the Mayo Clinic to remove a brain tumor. Funds raised will help cover medical expenses and future treatments.

Dinner will be a "free-will offering" BBQ Pork Loin Sandwich and a variety of Crock-Pot side dishes. Additional funds will be raised by voting on your favorite Crock-Pot side dish with money.

The event will start at 5 pm with an ongoing silent auction, and a live auction beginning at 7 pm.
